Woman's Club Yule Meeting is Attended by 75 Yesterday

Dr. William Ashe-Everest, noted Egyptologist and self-styled former European advisor to an Egyptian prince, electrified an audience of 75 at the meeting of Torrance Woman's club held yesterday in the clubhouse at 1422 Englewood avenue, when he predicted the return of Christ to this world as Lord of Lords in the year 1953.

Dr. Ashe-Everest in speaking of the Great Pyramid of Giza explained how Egyptologists who make a study of the pyramids, have predicted every event that has happened. He told of waiting for the end of the World War which was expected the 11th month, 11th day and 11th hour of 1918 and of waiting with a party for the herald of the event.

Dictator nations will annihilate themselves, according to Dr. Everest. The world today is well out of the depression but Americans have forgotten how to stand alone and fail to realize the fact. The years of importance, according to the speaker, are '40 '45 and '53 at which time "the cycle of the pyramid is complete."

Mrs. Charles Schultz introduced the speaker. Joy of the Yuletide was exemplified in the lovely table decorations of red and white and sprays of holly that served as favors. A turkey dinner with all the fixins was served by Mrs. C. M. Johnson and her committee.

Mrs. Kathryn Buffington led in the singing of Christmas carols and gifts were exchanged by members. Mrs. M. Norrity gave a short Scripture lesson. A bridge party was planned for early January.
